## **126th Civil Engineer Squadron**

## MISSION:

*Provide world class, peace and wartime engineering and emergency response services with innovative and efficient, sustainable operations for our nation, state, and local communities*

## VISION:

*Train and motivate highly innovative Airmen Engineers who are developed, resilient, and ready*

## CIVIL ENGINEERS:

It's critical that Air Force buildings and structures are not only maintained but remain combat ready. Responsible for producing and implementing solutions to complex problems, Civil Engineers keep our facilities and utilities running effectively. These highly trained engineers offer essential problem-solving skills and a broad range of expertise, addressing everything from drafting to disaster preparedness, for thousands of structures worldwide.
