126th Logistics Readiness Squadron

MISSION:

Provide the highest quality logistics services to prepare personnel and equipment for meeting state and federal mission requirements. We gauge our success on yours.

VISION:

Be recognized as a benchmark of continuously improving quality and excellence for logistics professionals.

Logistics Readiness:

The 126th Logistics Readiness Squadron (LRS) plays a critical role in ensuring that the 126th Air Refueling Wing and the Illinois Air National Guard remain mission-ready and capable of rapid response to both local and global missions. The capabilities of the 126th LRS span a wide range of logistical functions, from fuel management to supply chain operations, enabling efficient and effective support for aircraft, ground vehicles, personnel, and cargo. LRS ensures that the right supplies, equipment, and personnel are in the right place, at the right time, and in the right condition to execute missions successfully.

Benefits of joining 126th LRS

- Flexible Service: Serve part-time while maintaining your civilian career or pursuing education.
- Skill Development: Gain valuable logistics and leadership skills that apply to civilian careers.
- Education Benefits: Tuition assistance and GI Bill benefits for college/ trade schools.
- Extra Income: Earn part-time military pay with full benefits, including health insurance and retirement.
- Community Impact: Be part of a team that serves both state and country, whether responding to local emergencies or national missions.

CAPABILITIES:

- Fueling aircraft and vehicles
- Managing Logistics and supply chains
- Maintaining & operating a fleet of ground vehicles
- Supporting deployment operations
- Ensuring readiness for state and national emergencies
