## **126th Operations Support Squadron**

## **MISSION:**

*Provide Multi-Capable Airmen for  
Agile, dynamic, and innovative  
Operational support to optimize Wing  
performance*

## **VISION:**

*Be the Best Operations Squadron in  
the Air National Guard*

## **Operations Support Squadron:**

The Operations Support Squadron is paramount to the mission of the 126 Air Refueling Wing. Each and every office has a role to play to ensure our Pilots and Boom Operators are flying safe, knowledgeable, and legally.

Each and every office in the Operations Support Squadron has a no fail mission to support each flight both at home and deployed.

Come be a part of the greatest mission in the Air National Guard!! USAF airplanes don't fly unless we are passing gas!!!

## **Airfield Management**

Maintain runways, lighting and airfield components to ensure safe take offs and landings.

## **Aviation Resource Management**

Maintain data such as flight physicals, aircrew qualifications, and perform the Go/No Go.....Will you Go?

## **Aircrew Flight Equipment**

Ensure life saving aircrew equipment is operational and secure. Keep them ALIVE!

## **Intelligence**

Provide current intelligence information and threat information to the aircrew of the KC135. Keep them SAFE!

## **Crew Combat Communications**

Communication and survival experts...Give our aircrew a way to survive and communicate while far from home!
